GEARED FOR THE ADVANCED HANDLER...

Summer Camp will be held in TNT's NEW Training Building! Large working area, room for crating indoors, lots of space, totally deluxe!

TENTATIVE SCHEDULE:

Day One -is group day. This day you will be working your dog ALOT! Janice will have an exciting program of new training ideas, building a relationship with your dog, how to make training a "game", training using only positive methods, how to keep your dog engaged, fun proofing exercises and much, much MORE!
Friday evening TNT will provide the Pizza, and BYOB or? Mingle about and get to know the other camp participants. Lots of fun!

Day Two - Is problem solving & will be YOUR day. You will be given individual instruction & will pick what YOU want to work on. At the end of the day, the TNT ponds and land will be open to enjoy a leisurely walk, swim your dogs or get in a bit of field training. In the evening a no-host dinner at a local restaurant - always a fun evening out socializing with each other.

Day Three -

Critiqued obedience competition run thru's on day three. This has proven to be very popular at previous camps. If your dog is too young for a run-thru, or you don't wish to have one, you may request another individual working session with your dog.

Dogs cannot be aggressive or harass other camper's dogs. They should have good off lead control. Puppies & young dogs may work on lead. You can bring 2 dogs but must choose which dog you will work during your allocated time on the floor.
