WEIGHT PULL

Open to all breeds and mixed breeds with an LP number.

All dogs must weigh in on their first day of competition each weekend.

Dogs must pull a weighted cart 16 feet in 60 seconds.

Dogs are divided into weight classes in 10 pound increments.

New dogs must earn the United Weight Puller (UWP) before they start to earn Championship points.

United Weight Puller (UWP) title. To earn this title, a dog must earn a qualifying leg at three different UKC licensed weight pulls. A dog earns a qualifying leg/score by completing an uninterrupted pull of a weighted vehicle loaded with the following weights for 16 feet within 60 seconds and:

- a. On natural or artificial surfaces.** Eight times the dog's body weight on the day of the event for events held on natural or artificial surfaces, or
- b. On snow.** Three times the dog's body weight on the day of the event for events held on snow, or
- c. On rails.** Ten times the dog's body weight on the day of the event for events held on a rail system.

United Weight Pull Champion (UWPCH) title.

***a. Eligibility.** A dog must earn the United Weight Puller (UWP) title before it is eligible to earn points toward the United Weight Pull Champion title. Accumulation of points toward the title of United Weight Pull Champion (UWPCH) begins at the next pull following the completion of the requirements of the UWP title.

b. Requirements. A dog must then earn 100 championship points in accordance with the Championship Points Schedule in Section XXVI to become a United Weight Pull Champion.
