**K9 Gentle Dental will be offering
Anesthesia-Free Canine Dental Cleanings at the
Alberta Kennel Club Show August 2nd-3rd, 2015.**

How Does It Work?

We lay your dog down in our lap on a comfy dog bed. We hand scale their teeth with dental instruments. The teeth are cleaned inside and out, removing the tartar build up. The teeth are then polished and it all takes about an hour. We are able to successfully clean more than 99% of dogs!

(if we can't for any reason, there is no charge!)
