

## **Canine Good Citizen (CGN) Test ~ Hosted by the Vizsla Society of Ontario**

### How Your Dog Can Become a Canine Good Citizen

The CKC's Canine Good Neighbour (CGN) Program is a 12-step test, if completed successfully, ensures that our most favoured companion, the dog, is accepted as a valued member of our community right across the country. Canine Good Neighbours can be counted on to present good manners at home, in public places and in the presence of other dogs.

Provide your dog's immunization record online or be sure to bring it to the test. Also bring your dog's brush (part of one of the tests) to the test. More info about the 12 step test? Click [here](#).
