Dog's Best Friend

Calling All Dogs with Friends! ...

Does your dog have an animal buddy? Summerhill Entertainment is casting for a brand new, playful and heartwarming documentary series (13 x 30) called, *Dog's Best Friend*, coming to OASIS HD. The series begins filming this summer and will explore the incredible friendships between dogs and other animals. From dogs and dolphins to dogs and donkeys and more, we are going behind the scenes to get the back story behind the amazing images that inspire us and remind us why humans are proud to call dogs 'man's best friend'.

In addition to dog and friend stories, the series is also looking to document stories of unique cross species animal friendships like an elephant and orangutan. If you have a story to share or know someone who does, please email us with your contact information, along with a photo and a short paragraph that describes the animal pairing.
