

CKC Foundation Announces “Pawsitivity” Grants

The CKC Foundation, a nationally registered charity, is pleased to announce up to \$20,000 in funding for new “Pawsitivity” grants in 2015. CKCF “Pawsitivity” grants are awarded with the primary objective of enhancing the health and welfare of dogs in Canada by supporting education on the diverse and beneficial role of dogs in society.

Pawsitivity Grant Opportunities

The types of activities envisioned for support could include service dog training, advocacy of canine-friendly legislation, promotion of responsible dog ownership, the benefits of dogs to society, or education on breeding healthy and well-adjusted dogs. “Pawsitivity” grants are in addition to the funding the foundation provides for scientific research into canine health issues.

Recipient Eligibility

CKCF grants recipients must be an eligible recipient for funds from a registered charity as defined by The Income Tax Act and able to issue official tax receipts for donations received. However, in certain circumstances, and on a case-by-case basis, the CKCF may enter into agency agreements with groups that are NOT eligible under The Income Tax Act by contracting that organization to act as its agent in carrying out initiatives on the Foundation’s behalf.

How to Apply

Would you or your organization like to apply? For more information, and to download an application form, please [click here](#). Please share this with any other organizations you think may be interested and/or eligible.

If you would like to donate, please click here for [donation options](#). For more information about the CKC Foundation, please visit www.ckcf.ca or contact us at info@ckcf.ca. All donations over \$10 are eligible for a tax receipt.
