

CANINE GOOD NEIGHBOUR TEST
December 15th, 2012
Regina, SK

Date: Saturday, December 15, 2012

Time: 1:00 p.m. – 7:00 p.m.

Location: KAOS Dogsports
1311 Ottawa Street, Regina

Cost: \$25 per dog.

There will be 25 spots available for this test assigned on a first come/first serve basis. Please email Daphne Bowering at sarvi@sasktel.net or Karen Prokopetz at gyver@myaccess.ca if you wish to participate.

Provide your full name, your dog's name, age and breed or breed type. We will confirm receipt by email within 2 days. Further information will follow. The test will begin at 1:00 PM and continue through the afternoon and early evening. Please let us know if there are specific time constraints relative to your entry.

Required Material

The handler is required to bring the following equipment to the test:

- * Proof of vaccination certificate *Dog license (If required by local dog control by laws).
- * Test fee \$25.00
- * A leash not less than .75 meters (2') nor longer than 2 meters (6') in length (Acceptable collars include a well-fitting slip, buckle or martingale collar, made of fabric, leather or chain. All other types of collars are unacceptable.)
- * A grooming tool -- either a brush or comb.
- * A plastic bag for picking up after your dog.

Miscellaneous

- * Dogs must be at least 6 months old to participate in the test.
- * The test is non-competitive. Dogs are not required to have formal obedience training in order to participate in or success- fully complete this test.

In order to pass, a dog must satisfy the evaluator that it is a dog whose behaviour would be acceptable in one's home and:

- * Would be welcomed as a neighbour.
- * Is well mannered in the presence of a variety of people, dogs and situations.
- * Is well groomed and allows examination and grooming.
- * Interaction between handlers and dogs during the tests is encouraged. Handlers may talk to their dogs and quietly assist them to perform the tests. The dogs must be attentive and respond to their handler's movements and words. An occasional tight lead is permitted, but constant straining is unacceptable. Hugs, pats and words of encouragement are welcomed.
- * Food, toys and other training aids are not permitted during testing.
