Owner Handled Unofficial Competition

Exhibitor Eligibility

1. Exhibitors must declare their dog Owner Handled Competition eligible at the time of entry using the check box on the entry form.
2. The handler must be an owner of record listed in the catalogue.
3. Professional handlers, household members and current assistants to professional handlers may not exhibit. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay or received payment for handling a dog.
4. Dogs must be handled by an owner-handler throughout the breed level competition for the regular show. This includes the class competition and subsequent competition in the breed ring. The same is true for all levels of group and show competition.
5. The Best Owner Handled in Breed will be selected from the eligible dogs that competed in the Best of Breed competition for the regular show. This includes Winners Dog, Winners Bitch. *This excludes all dogs defeated during class and winners competition for the regular show.*

Determining Best Owner Handled in Breed

The selection of the Best Owner Handled in Breed is held immediately following regular judging of that breed in the same ring. The ring steward will excuse all exhibitors not eligible. The judge will then award Best Owner Handled in Breed.

Judging of the breed for the regular show may determine the dog that is awarded the Best Owner Handled in Breed.

Guidelines:

- If the Best of Breed winner of the regular show is eligible for Best Owner Handled in Breed it will also be awarded Best Owner Handled in Breed. In this case the dog will be eligible to compete in group competition for the regular show and group competition for Best Owner Handled in Group.
- If the regular show Best of Breed winner is not eligible for Best Owner Handled in Breed and the regular show Best of Opposite Sex is eligible, the regular show Best of Opposite Sex will compete against the eligible exhibits of the other sex to determine Best Owner Handled in Breed.
- If neither the Best of Breed nor the Best of Opposite Sex from the regular show is eligible for the Best Owner Handled in Breed and both the Select Dog and Select Bitch are eligible, the judge is to choose Best Owner Handled in Breed from the Selects and any eligible Winners Dog or Winners Bitch.
- If one of the Selects from the regular show is eligible for Best Owner Handled in Breed, excuse all eligible champions and then choose Best Owner Handled in Breed from the remaining eligible dogs of the opposite sex including the eligible Winners.
- If the regular show Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as the Best Owner Handled in Breed.

If no dog remaining in the ring is eligible for the Best Owner Handled in Breed competition, no award will be made and there will not be representation in group competition for the Best Owner Handled in Group.

Group and Best in Show Competition

- In the Group and Best in Show competition, the dog must be handled throughout the competition by an eligible owner.
- Group judging for the Best Owner Handled in Group may take place in separate rings from regular group judging.
- Judging for the Best Owner Handled in Show after regular Best in Show judging.

Determining Best Bred By Exhibitor in Breed

The selection of the Best Bred by Exhibitor in Breed is held immediately following regular judging of that breed in the same ring. The ring steward will excuse all exhibitors not eligible. The judge will then award Best Bred by Exhibitor in Breed.

Judging of the breed for the regular show may determine the dog that is awarded the Best Bred by Exhibitor in Breed. Guidelines:

- If one of the Selects from the regular show is eligible for Best Bred by Exhibitor in Breed, excuse all eligible champions and then choose Best Bred by Exhibitor in Breed from the remaining eligible dogs of the opposite sex including the eligible Winners.
- If the regular show Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as the Best Bred by Exhibitor in Breed.

Champion 2018

15.1 Championship Points

15.1.1 A dog awarded Winners at a conformation show shall be credited with a number of championship points (ranging from 0 to 5) and the number of championship points credited to a dog awarded Winners shall be as provided hereunder.

15.1.2 The schedule to be employed in the determination of the number of points awarded Winners shall be as follows;

*Dogs Competing	1	2	3 to 5	6 to 9	10 to 12	13 & more
Points Allocated	0	1	2	3	4	5

*Includes the dog awarded Winners

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall not be included in the calculation for championship points.

15.1.3 If a dog awarded Winners is also awarded Best of Breed at the show, then all dogs competing in the breed, including Specials Only, shall be included in the total.

15.1.4 If a dog awarded Winners is also awarded Best of Opposite Sex to Best of Breed, then all dogs of the same sex including those competing for Specials Only shall be included in the total.

15.1.5 If a dog awarded Winners is also awarded Best of Winners, then all dogs defeated directly or indirectly in the breed shall be included in the total.

15.1.6 If a dog is awarded Winners only, then all the dogs of the same sex in the class competition shall be included in the total.

15.1.7 The number of championship points to be credited to a dog awarded Winners shall be determined by the highest award earned and calculated as per this section.

Clarification:

Example of directly or indirectly defeating: If the Winners Bitch is awarded Best of Opposite Sex but not Best of Winners, the Best of Winners Male shall be deemed to have indirectly defeated the Specials Bitches, and is thus entitled to add them to the number of dogs and bitches defeated.

15.1.8 In addition to championship points allocated at the breed level, a dog awarded Best of Breed that also places in the regular group competition shall be credited with the following additional points provided that a dog was defeated at the Group level.

13 or more	5	4	3	2
10 to 12	4	3	2	1
6 to 9	3	2	1	1
5	2	1	1	1
4	2	1	1	0

15.1.11 A dog awarded Winners which also places Best in Show at an all-breed conformation show shall be credited with five (5) championship points inclusive of any points earned at the breed and group level.

15.1.12 In order for a dog to be recognized as a Champion and its owner provided with a Championship Certificate, the dog must: (a) earn at least 10 championship points under at least 3 different judges and,

(b) be registered in the records of the CKC, have an Event Registration Number (ERN), or have a Miscellaneous Certification Number (MCN).

(c) have earned at least one 2 point win either at the breed or group level.

15.1.13 The Board interprets the words "earn at least 10 championship points under 3 different judges" to mean:

(a) 3 or more Winners awards at not less than 3 different shows, under 3 different judges at the breed level;

(b) each of the 3 Judge's awards must be one or more championship points won at Winners, Best of Winners, Best of Breed or group placing;
