THE CORRECT USE OF ELECTRONIC COLLARS IN OBEDIENCE AND FIELD TRAINING

A Workshop with Anne Everett

March 3-4, 2018

Welcome to a 2 day workshop focused on the use of electronic collars in field and obedience work. During this workshop you will learn how to effectively and humanely use an electronic collar as part of your training program. The first day will begin with a session on how to fit the e-collar and discovering what level of stimulation is appropriate for your dog. We will then discuss the theory behind the use of e-collars, as well as their mis-use. The balance of the workshop will be devoted to teaching you the trainer the appropriate use of the e-collar in obedience and field training programs.

A number of obedience and field exercises will be covered over the two days. You will have the opportunity to participate in each session, based on the level of understanding your dog has of the obedience or field skill that is the focus of that particular session. For example, your dog must understand the heel command before that command is reinforced with the e-collar.

This workshop is registrant driven, so please do not hesitate to ask for clarification, or for a particular session to be repeated if you are unsure about methodology.

Participant dogs wishing to apply the e-collar to field training must have a reliable retrieve to hand and good obedience skills. Fetch and hold commands will not be covered in this workshop.

THE CORRECT USE OF ELECTRONIC COLLARS IN OBEDIENCE AND FIELD TRAINING...(CONT).

Anne Everett has been involved with the CKC hunt test program since its inception. She is qualified to judge at all levels of hunt tests, field trials, as well as HRC hunts. Anne has earned over 180 Master passes on 18 different dogs, 6 UKC HRCH's, and 6 UKC UH's. She has also earned Qualifying wins, as well as Open and Junior field trial placements with her dogs. She has titled 6 Grand Master Hunters in Canada, as well as 16 Master Hunters and a number of Junior and Senior dogs. Anne has also earned CKC OTCH titles on two dogs and has numerous High in Trials in the obedience ring. She earned the first OTCH-MH title combination on a Golden Retriever in Canada.

The workshop will be held at Heads Up Kennels in Merville, BC on March 3-4, 2018. The classroom session will be on Saturday morning; the remainder of the time will be spent in the training building and in the field (weather permitting). Participants will be limited to 12 working handlers. 1 dog per handler limit. The cost for the workshop is \$300 for a working spot, \$150 for an audit spot. 10 audit spots are available. Registration closes when the workshop fills. No refunds after February 15, 2018. Information on local accommodation and directions to the workshop will be sent out with your confirmation of registration.

This is a working clinic. Bring your dog, lunch, a chair, and your fully charged e-collar. Please contact Anne if you require assistance with purchasing an e-collar prior to the workshop.

Dress appropriately for the weather. Parking and airing areas will be available on the kennel grounds.

To reserve a spot, please fill in the on-line registration at <https://tinyurl.com/headsupe-collar> or mail attached form. ***Your registration is not complete until full payment is received.***
