# Yvonne Babij

Yvonne Babij cannot remember a time when she wasn't training or shaping an animal's behaviour...be it a family pet, a bird in the campsite, a horse at the stockyards or what have you. In the 90's Yvonne brought home her first Belgian Shepherd, Teaka, and due to Teaka's versatile nature Yvonne sought out dog sports to enjoy with her. They tried CKC obedience with some success and they also enjoyed tracking, but Yvonne kept hearing about this new fad called agility. Needless to say, Yvonne sought out a trainer in the Vernon area that was offering agility lessons and got hooked! By the year 2000 she was totally committed to the sport and has worn many hats; from student to competitor, instructor to judge and now seminar presenter.

Over the years her dogs have earned 6 agility championships (ATCh) and her favourite game to play is Gamble.

Yvonne loves to teach her dogs to work at a distance and to perform the obstacles independent of her. They also enjoy a fair bit of success with verbal directionals and the verbal understanding of the obstacle names. Seminars are meant to be F.U.N for all and of course *if you are not having fun, then you are doing it wrong!*

Yvonne currently trains 2 Border Collies, Denim & Deuce and is bringing up a young Malinois named Scooby-Doo.

# Mary Zacharatos

Mary has been involved in agility for more than 20 years. She got into dog training because of Duffy, Mary's second dog and a very difficult West Highland White Terrier. He had severe behavior issues and through Mary's love of learning positive training techniques, he overcame a lot of his issues and was able to compete in the sport of agility. He went on to win the BC Regionals three times and won the Canadian Nationals as well. Mary's first border collie, Skye, was also a BC champion and a Canadian National champion.

Mary has been an AAC Masters judge for 15 years and has judged Regionals and National competitions as well as many local and not so local trials.

Mary owns and is head trainer of 5 Star Dog Training in Kamloops and currently trains and runs a 3 year old border collie, Charlee (also known as Charlee, bad Charlee).

Mary continues to stay up to date with modern, positive dog training techniques by attending seminars and conferences and courses.
