There are a significant number of rule changes to the CKC Hunt Test Rules and Regulations for 2014.

Rick Roberts, in his position as CKC Retriever Hunt Test Council, Zone 11, B.C. Southwest and now Past President of the Canadian Nation Master Retriever Club, will be holding an information session for Hunt Test Judges, Hunt Test Committees, Handlers and all interested parties to review and clarify these rule changes.

One of the many changes that came into effect on January 1, 2014 include the Hunt Test Committees responsibilities regarding the legality of tests set-up by their Judges.

Article 3.5.1 pg 8: The Judges and the Hunt Test Committee are in total control of the mechanics within the framework of the regulations. While judges alone determine and design the tests to be given, *it is the Hunt test Committee's responsibility to ensure the tests fall within the regulations and guidelines of the rule book.*

**THERE ARE ALSO CHANGES IN ALMOST EVERY SECTION THAT REQUIRE EVERYONE INVOLVED TO REVIEW AND UNDERSTAND.**

While pre-registration is not required to attend we would like an idea of how many people are coming before hand.
