We had an enjoyable day of racing with perfect weather and a convivial atmosphere. We were lucky, the day before would have been bad news with its nasty weather, cold temperatures, wind and lots of rain. Congratulations to Shaurat and Gus for their fine racing Whippet Vigo who has been participating here for so many years. He has been a regular attendee since he started playing here when he was 4 month's old and then, when mature, to practice and race. When we began to host official racing he quickly established himself as a top contender at AGSA achieving a SRChX. Vigo during his career also certified the majority of hounds that have ever raced here. He was also an equally great lure courser and finished his F. Ch with ease including BIF's. He is a true believer to the lure and always ran the straights, straight as an arrow and at lure coursing his follow was phenomenal. We wish him a well deserved retirement and may you live healthy for many more years. He will always have a special place in our hearts and is a joy to look after when his humans are away. Thanks to Gus who has volunteered as a line judge so many times. Shawna came out to help load hounds and did a fabulous job, thank you Shawna. Next spring we will start training new pups and hopefully they will make their owners proud and may they all be fine racers.

Our congratulations go out to all the owners for bringing and allowing your hounds to participate and do what they so love to do.
