

A SEMINAR NOT TO BE MISSED
THE PHYSICS OF BALANCE AND MOVEMENT

BY
DR. TERILL UDENBERG
Fort St. John, British Columbia

Learn how animals compensate to keep their centre of gravity.

Dr. Udenberg has been involved in the sport of dogs as an exhibitor, breeder and now as a judge.

He is a Veterinarian who has special interests in genetically inherited diseases and critical care.

Dr. Udenberg is an avid volunteer in world disasters including Katrina, Guyana, Peru earthquakes, also in spay and neuter rather than strychnine poisoning of dogs in Fiji.

Currently Dr. Udenberg is presenting seminars in both Australia and New Zealand to their Dog Judges Associations.
