Woof-A-Mania

is excited to be hosting a Scent Hurdle Tournament & Potluck Lunch

Sunday September 20, 2015

Where

Fox's Acreage (directions attached)

All dogs are welcomed to participate as long as they are registered with both CKC and CSHRA. This includes all pure breeds, mixed breed dogs (that are spayed or neutered) and non-recognized purebred dogs who are able to participate in Agility, Rally Obedience and Obedience under the new CKC Canine Companion rules.

The tournament start times will be confirmed once the number of teams entered is established.

All racing will take place outdoors in a fenced area.

There is plenty of benching, parking and areas to exercise and potty your dogs.

If your whole team can't come, please consider forming a blended team.

Woof-A-Mania is happy to help people find teams to blend with. Please let Ann know if your team is not entering and you would like to play. This is likely the last outdoor race of the season and it's going to be a lot of fun!

Entries Close on Monday September 14, 2015 at 9:00 pm

Entry Fees are \$15/Team for the day

If 6 teams or less enter, we will run two tournaments, one in the morning and the other after lunch.

If 7 or more teams enter, only one tournament will be run with a break for lunch.

Entry form must be submitted by closing date. Entry fees will be accepted at the tournament if not paying via e-transfer or PayPal
