NEW VENUE - Spencerville, ON is a rural community located in Eastern Ontario within Edwardsburgh/Cardinal township in the United Counties of Leeds and Grenville. The village lies about 80 kilometers southwest of downtown Ottawa on Highway 416. The South Nation River runs through the village.

David Spencer is the founder of the village and the village is named after him. Spencer's father built the first mill there in 1811 which inspired further settlement, and a village gradually grew surrounding the property.

Spencerville is a historical village with many old homes, churches, farms, cemeteries and other buildings dating back to the 1800's. The most notable old structure is the Spencerville Mill a stone gristmill on the site of the Spencer family's original mill.

The village is known for its annual fair held every September called the Spencerville Fair. The fair has been an annual community event since the 19th century.

Spencerville is a little village with a lot of heart and TIKO is very thankful for the opportunity to hold our 2025 show there.
