[repro@grahamanimalhospital.ca](mailto:repro@grahamanimalhospital.ca)

## Pre-registration & pre-payment required

repro@grahamanimalhospital.ca

Once payment is received you will be given an arrival time for eye drops. Exams will take place approximately half an hour after the eye drops are administered.

*All dogs must be manageable without handlers or sedation as only staff will be present in the room at the time of exam. Results will be emailed, no hard copies will be provided.*
