- Game birds will be used.
- Shotguns may not necessarily be used. However, handlers at SH and MH will be **required** to handle a gun or replica during the test, and handlers at JH may be required to carry a gun/replica. At all levels the gun/replica shall be treated as though it is a real firearm. Gun Safety is considered as part of the test.
- All handlers and observers **MUST** wear dark or camouflage clothing

**We are a small club, and it “takes a village” to put on a test. Handlers are advised that they may be asked to help by running a gun station while they are not running. Please pitch in to continue to make our tests possible.**
