*****Ribbons will be done approx. 30min after all components for that class are done.*******

Some final details about the location and its quirks.

Time:

CKC trials are restricted to 7 hours of judging time so, since the trial is full, it would be appreciated if all exhibitors help us maintain the schedule by being aware of when they are to be ready and be there when required.

Benching:

Dogs must be benched in your cars and must be on leash at all times and only be out when being pottied or at the stations preparing to run. If it is hot and you have a crate, the dogs can also be benched in the shade of the pavilion. Please remember to pick up after your dog.

Parking: There is lots of parking at the venue, parking will be on the grass field. We ask that if you have a reactive/noisy dog please don't park next to the buildings. We will have a parking attendant to help guide you to a spot.

Washroom accessibility: there are onsite washrooms

Food: there is a pub and coffee shop within a couple minutes. There are some fast food places about a 5-10 min drive from site (depending on stop lights) There are also a couple grocery stores within 5-10 minutes.

Videography: Videography is at the judges discretion. Bring your own camera, iPad, iPhone or favourite device and ask someone nicely to help you out. The Judge's Steward, the Timer, the Box Setter and the Gate Steward are NOT the people to ask.

Smoking: No smoking or vaping is allowed anywhere on the school grounds.

This is a very loose schedule. It is **based on dogs taking maximum time for each component**, which generally they don't. However, I always get asked what time something is going to be, so thought I would add this. The only times truly set are the morning times up to the walkthrough/briefing.

Sat Schedule		# runs	RunTime (h:mm)	Start	End
Set up	0:45			7:00 AM	7:45 AM
Check in				7:45 AM	8:00 AM
Walkthrough/Briefing	0:15			8:00 AM	8:15 AM
