Saturday June 21st to Sunday June 22nd 2025

JUDGING SCHEDULE

Shetland Greens (Outdoors)
2 Edwards Place
Flatrock, NL
A1K 1C6

Important Information

- The trial site will open at 8am both days. **Please do not arrive before 8am.** A volunteer will be on site to direct parking. General briefing begins at 8:40am, followed by the judge's briefing and walkthrough of the first course. First dog on the line for 9am.
- Exhibitors who wish to set up their tents ahead of the trial may do so on Friday from 10am-5pm. Exhibitors are welcome to leave their tents set up overnight but do so at their own risk.
- Please note that the Running Order is tentative and may change based on Move Ups and Day of Trial entries. Points & Distance 4 on Sunday in particular is likely to have significant changes as we anticipate many Move Ups. The most up-to-date Running Order will be posted ringside at the trial. Changes to the Running Order will be made for Move Ups and Day of Trial entries only – please do not contact the Trial Secretary or anyone on the trial committee to request your dog be moved around in the Running Order.
- Each class will receive a 5-minute walkthrough. It is the responsibility of the handler to ensure they are waiting ringside for their walkthrough to begin. Once the walkthrough has ended, the first three dogs in the class will have 3-minutes (the “in the ring,” “on deck,” and “in the hole” dogs) to get ready and wait ringside. If all three dogs are ready, the first dog may begin before the 3-minutes has ended.
- Day of Trial entries may be made online and must be in the hand of the Trial Secretary, including full payment, by 8am the morning of the trial. Please contact the Trial Secretary at NKCAgilityTrialSec@gmail.com to enquire about Day of Trial entries.
- Changes of Entry (Move Ups) will be accepted up until course building begins for the class you are moving up to. Please submit your move ups as soon as you've confirmed your qualifying score.
- It is of extreme importance that everyone is vigilant about ensuring their dogs are not peeing or pooping in, on, or around the trial ring, nor on anything “man made.” If you see any poop, please pick it up, even if it's not yours – “Adopt-a-Poop!” Anyone seen not picking up poop or allowing their dog to pee inappropriately may have their future entries rejected. There are tons of green spaces away from the ring for potty breaks. Poop bags must be disposed of in the provided garbage cans and not left sitting on the ground. **It is illegal to not pick up after your dogs!**
- The NKC has an absolute ZERO TOLERANCE POLICY for any unsportsmanlike conduct directed at any person, online or in person, including judges, ring stewards, club officials, and exhibitors. Anyone engaging in unsportsmanlike conduct will be asked to leave the premises immediately without refund and will be subject to further disciplinary action as per CKC Policy 11.

SHETLAND GREENS - GROUND RULES

FOR THE DOGS:

1. No dog/s may be brought to the grounds or premises if it has distemper, parvovirus, kennel cough or any other communicable disease with the last 14 days (prior to the trial dates.)
2. Dogs MUST be kept on a leash at ALL TIMES – other than when they competing/training in the ring and the gates are closed. This means the handler must always have the leash in their hands.
3. Aggressive dogs that threaten the safety of other dogs or people WILL NOT BE TOLERATED and will be excused from the trial site without a refund.
4. There is a private residence close to the site - please do not allow your dogs to walk down around this residence - as it will upset the dogs who live there.
5. Not all dogs love other dogs. Please keep your dog under control and out of other dog's faces, even if your dog is friendly.
6. Please do your best to keep your dogs barking at a minimum, as neighboring homes will not be happy & it could jeopardise any future trails/training.
7. There will be 2 small child size swimming pools on site and a watering hose for dogs to use to cool off.
8. There will be an assigned area for dogs to warm up with a set of jumps.

FOR THE HANDLERS:

1. Site owners and the NKC Agility Committee have the right to ask you to leave if rules are not followed.
2. Please clean up after yourself. There will be plenty of garbage bags and waste baskets around to keep everything clean.
3. No smoking or vaping anywhere on the trial site.
4. No food, clickers, squeakers, or other aids or devices shall be permitted on the course or within 10 feet of the gated areas.
5. There will be two portable toilets and a hand washing station on site for the entire trial.
6. The NKC Agility Committee and Site Owners will provide a safe and fun environment for both exhibitors and their dogs. We hope that everyone has fun!

Biography for Sandra Esford

Sandra has been raising and training Golden Retrievers with her husband, Steve, under the Goldencol prefix, for over 40 years. They have been active in field work, obedience and agility trialing with their dogs. However, agility has taken most of her interest for the past 25 years. She enjoys the opportunity to see the skill and teamwork develop as she works with her dogs and with the people who train with them. Sandra currently has two competitive dogs, Goldencol's Adventure Awaits "Ozzie", and Canwin's Perfect Timing "Magic", who is now competing in CKC Excellent Standard, JWW and PAD and has her CD and Rally Master. Last year Ozzie earned his OTCH and ATMCH Rally Masters and earned is AAC ATCH in 2023 . Many of the Goldens that they have bred have also been performing well in agility. This gives her a feeling of pride and satisfaction.

Sandra has been instrumental in the development and promotion of the CKC agility program. She has been a CKC Agility Rep for Zone 5 for as long as the Agility Council has been active. She was a member of CKC Agility Team Canada Management group which supports sending our CKC dogs to the FCI world agility competition for more than 8 years.

Sandra started judging agility in 2002 and has judged both CKC and AAC trials across Canada. She enjoys the challenge of judging and is grateful for the opportunity to see dogs compete on the courses that she has designed.

Sandra is also heavily involved in the local CKC Belleville Kennel Club as Show Chair for Conformation, Organizing the Obedience and Rally trials as well as the Agility Trials.

Enjoy your runs with your dogs and have fun.
