CANADIAN-RESIDENT ENTRANTS THAT ARE NOT CKC MEMBERS: Effective January 1, 2011, the Canadian Kennel Club has implemented an annual non-CKC-member participation fee. Canadian-resident owners who are not members of the CKC must pay this annual participation fee or join the CKC. Failure to do so will result in cancellation of awards and titles. For co-owned dogs, one of the owners must supply a CKC membership number or pay the fee/join CKC. The above applies only to Canadian residents; American-owned dogs are exempt. The test secretary will have some of the forms available at the test; it is the entrants' responsibility to submit the form and fee to CKC.

BORDER CROSSING: A rabies certificate is required to bring a dog into Canada and the USA. Government regulations require a valid Rabies Certificate dated at least 30 days prior to entry into Canada. Please note that border crossings now involve more thorough inspection of vehicles, dogs and papers. Proof of citizenship is required for entry into Canada and return to the USA. Please carry a Passport, naturalization papers, etc. as proof of citizenship. You can borrow a starter pistol if you decide not to bring one across the border.
