

 **OFA -CAER(formerly CERF) EYE CLINIC, Saturday March 26, 2022** 

BRCA is pleased to have **Dr. Penelope Buechner** DVM of Edmonton perform the examinations. Cost \$60 (gst included) for the CAER exam. Other tests will be determined at the time of the exam.

Online registrations only please. **FIRST pre-register yourself and your dogs at ofa.org.** Select our clinic from the calendar and Dr Buechner from the vets. Contact Al at alnilsoneng@gmail.com if you have trouble registering yourself or your dog. **THEN pay for the clinic on Dogshow.ca** Entries close at the same time as the show entries close. A schedule will be sent out with the show judging schedule.

The waiting area will be separated from the general show precincts. Expect to be here for an hour. Arrive 45 minutes before your appointment so drops can be administered.

To minimize exposure of the Veterinarian and her helpers to COVID, dogs will be taken into the examination room by the veterinarian's assistant.

If you are attending the Eye Clinic you must be screened in accordance with all the requirements in this Premium List. Proof of Vaccination etc and Masks are required.
