

Got questions about your dog's or cat's food?

Ever wonder if your dog or cat is getting the right nutrition?

Confused by all the pet nutrition information in the media?

LOOK NO FURTHER!

Come learn about Dog and Cat Nutrition

Jessica Danelon, M.Sc., animal nutritionist, will introduce you to the basics of dog and cat nutrition, making sense of pet food labels, feeding options and help you with your animal's personal feeding issues. This 3-day course includes an optional tour of a local pet food manufacturing facility!

Location: Conestoga College, Doon Campus, Kitchener

Course name/code: Dog and Cat Nutrition/GINT0092

Cost: \$124.80

Time: Thursday, January 31 - 7:00 pm (3 hrs)

Tuesday, February 5 - 7:00 pm (3 hrs)

Thursday, February 7 - 7:00 pm (2 hr optional plant tour)
