A class dog awarded **Best in Show** at an all-breed championship show will be credited with five (5) points inclusive of any points earned at the breed or group level. In **no** case may a dog earn more than **five (5)** points at a **single show**. In order for a dog to be recognized as a Champion and its owner provided with a Championship Certificate, the dog must: (a) earn at least 10 championship points under at least 3 different judges; and (b) be individually registered in the records of the CKC or have an Event Registration Number. (c) have earned at least one 2-point win either at the breed or group level. (15.1.13).

**Best Puppy in Breed** – Where a dog awarded Best of Breed is not a puppy, those puppies which have not been defeated either directly or indirectly by another puppy in the breed will compete for this award. Judging follows the award for Best of Breed. A puppy awarded Best Puppy in Breed, is NOT required to stay to compete for Best Puppy in Group (15.3.1f)

**Grand Champion (GCh)** The title of Grand Champion may only be earned after the completion of the CKC conformation championship. Points for this title are only accumulated after the completion of the conformation championship and do not include the points earned in attaining the conformation championship. To be awarded a Grand Champion title, a dog must attain a minimum of 20 points, which must include a minimum of two (2) wins of at least two (2) points each. Points may be gained at breed, group or Best in Show/Specialty level. Only the highest points earned at a single show are carried forward.

(a) Grand Champion Point System Points towards the Grand Champion title are attained at breed level and are awarded to Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch. Points are calculated based on the number of animals competing at the breed level for the Best of Breed winner and the number of similar-sex dogs competing for the other three (Best of Opposite, Select Dog, Select Bitch). The following schedule shall be employed in the determination of points awarded at breed level for all levels of GCh:

|                  |   |   |        |        |          |           |

| Dogs Competing   | 1 | 2 | 3 to 5 | 6 to 9 | 10 to 12 | 13 & more |
| Points Allocated | 0 | 1 | 2      | 3      | 4        | 5         |

(b) The following schedule shall be employed in the determination of points awarded at Group level for all levels of GCh:

| Number of Dog Competing at Group Level | Dog Placed First | Dog Placed Second | Dog Placed Third | Dog Placed Fourth |
|--|------------------|-------------------|------------------|-------------------|
