HOW THE EVENT IS RUN

Please read this carefully

You are responsible for reading the club waiver (attached) which you will electronically sign with your online entry. Your helper (if you bring one) must complete a paper waiver and bring it to the tests (or email it to eastcoastsighthound@outlook.com before the tests). **You are responsible for calculating/checking your own points and knowing if your dog has achieved any titles. Your dog's**

Sprinter points (earned *after* August 28, 2019) are now available on your CKC online portal. The calculations and handicaps are available via the Sprinter Rules & Regulations from the CKC website at: <https://www.ckc.ca/en/Files/Forms/Shows-Trials/Event-Rules-Regulations/Sprinter-Rules-and-Regulations-Effective-January-1>

On arrival for your scheduled time slot:

1. Please do not arrive more than 15 minutes before your assigned time block. When you arrive, go to the main check-in station for the lameness and in-season inspection. You will need to swab your bitch with a tissue for in-season check. If your dog has not been measured at a prior event, they will also be measured.
2. **Two to three dogs before your run**, proceed to the start line waiting area with your dog and have your Catcher (which may be you or your helper) proceed directly to the finish line **with a leash. *Unless it is a dog's very FIRST Sprinter Test, Catchers CANNOT wait at the start line then walk/run down the chute when their dog steps to the start line for their turn. The Catcher must ALREADY be at the finish line and ready to catch the dog as the dog steps to the start line with their Releaser.*** Dogs may run "naked" or wear a flat, snug-fitting buckle catch collar with nothing hanging from it that can become entangled in the line **(NO running in martingale or slip collars and NO tags on catch collars)**. You may walk your dog to the start line in a martingale, slip collar or harness, but it **MUST** be removed prior to releasing them.
3. Once your dog runs and is caught and leashed, **clear the chute area**, and prepare for their second run. For safety reasons, **please stay CLEAR of the chute when walking your dog back from the finish line.**
4. The running order is cycled through TWICE (repeat steps 1-3) and dog the runs its second, and final, run for the day.
5. Once you have completed your two runs per dog, collected your ribbons and times from the table, and taken your photos, please leave the Aqua Terra property in a timely manner so we can let the next heat in.

OTHER EVENT INFORMATION

You will need to crate your dog in/by your car. There will be no shade provided so please keep your dog cool by keeping windows open, using shade cloths, and providing fresh water (please bring your own).

All competitors must bring ***TWO* leashes**, one each for the Releaser and Catcher. **A slip leash is ideal for the Catcher.** You may bring your own helper to act as your Catcher or Releaser. If you are not bringing a helper, you may list another exhibitor as your helper or request that a club volunteer release your dog. **This information will be gathered via email ~2 weeks before the tests.**

There will be a **Title Log sheet** at the main check-in table to record any titles your dogs have earned that weekend if you would like us to include them in our event wrap-up on the ECSA Facebook page.

Please ask for help when getting your title and Q ribbons from the check-in table. There are different rosettes for each Sprinter title and club members will help you get the right one.

There will be a “photo booth” set up near the parking area with title/event boards. Feel free to take some pictures of your dog with their ribbons.

**The ECSA will be following all current federal, provincial, and local COVID rules at the time of the tests ** Further information, if required, will be emailed to participants with the running orders prior to the event. Stay up to date here: <https://novascotia.ca/coronavirus/restrictions-and-guidance/>

Important Notes: This is a PRIVATE residence and we are grateful for the use of this location. Please respect instructions, pick up after and maintain control of your dog. **Retractable leads, prong collars, and electronic collars are not allowed on the premises. Owners may have their dog wear a muzzle, if they desire. Dogs may run “naked” or wear a flat, snug-fitting buckle catch collar with nothing hanging from it that can become entangled in the line. You may walk your dog to the start line in a martingale, slip collar or harness, but it MUST be removed prior to releasing them.** There is a risk of injury for all active sports; you can reduce this risk by warming up and cooling down your dog, only running your dog when you feel the field and weather are appropriate, and staying aware of your environment and any safety hazards. A \$10 fine, payable to ECSA, will be levied for any dog loose on the field from the time of inspection until the completion of all events for the day. A \$10 fine, payable to ECSA, will be levied for any exhibitor not picking up after their dog. Events run rain or shine.

It is the responsibility of the exhibitor to be familiar with the rules pertaining to the event in which they are competing. Copies of the CKC Sprinter Rules & Regulations are available from the Canadian Kennel Club online or via mail. Tel: 1-800-250-8040.

CKC Regulation: It shall be the duty and obligation of the trial giving club to see that a judge, club official, volunteer or any participant at an event held under these rules is not subject to indignities of any kind. The Test Chairperson shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred.
