**Open Dog Runs for Non Registered Dogs**

The Club will be offering, for the first time, an opportunity for individuals to bring their dogs to a Lure Course event and run their dogs on the same course and under the same conditions as the registered coursing hounds.

This is not an official or unofficial part of the Lure Coursing trial but will take place immediately following the close of the trial on Saturday October 5, 2013 on the same course.

The dogs will run in groups of three and will be drawn for courses based on their appropriate size. They will run 2 courses, once in each direction.

The cost will be \$15.00 per dog for entries received by the closing date or \$30.00 for entries received at the trial.

As information to the dog owners, your dog will be running a minimum course of 717 yards. Your dog should have had some previous experience running long distances and be in appropriate physical condition to run such a course. Your dog should have had experience running with other dogs and have not shown any signs of aggression.

All owners of dogs running in this event understand that they run their dog(s) at their own risk. The Club will accept no liability whatsoever in the event that a dog is injured in any way while participating in the event.

Please complete the following form and submit it to the Trial Secretary no later than the closing date of September 25, 2013.
