“ We operate a small “ hobby “ kennel – raising purebred Shetland Sheepdogs and of course our back yard gets well used with the dogs – as well as ourselves .We usually keep around 6 to 8 adult dogs in our small kennel , along with a litter of puppies about once a year – so the lawn gets ”well used” to say the least. When we were introduced to the EZ CLEAN BIO ENZYME product – it was truly wonderful . This product , when used as directed ,totally eradicates odors from the grass. We have also found the product very useful in the house to “totally” remove pet stains due to the occasional accident in the house on carpets and floors- leaving no odor from the residue. The slogan “dirtier the better” is so true – it cleans everything!!- leaving behind a nice pleasant smell.”

OPEN “B” - The Open B class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed that has earned the title of CD. Dogs that have earned the title of CDX or any higher obedience titles may enter in the Open B class. A dog may also be entered in the Utility class in the same trial. Dogs in this class may be handled by the owner or any other person. A person may enter or handle more than one (1) dog in this class. The same handler must handle each dog in all seven (7) exercises. Prior to the start of judging, the judge will choose which of the six (6) numbered routines is to be performed. These choices will not be disclosed to exhibitors until they are posted at ring side at least 30 minutes before the start of each class and never more than one hour before the start of the trial. In future assignments, judges are required to alternate the six (6) routines so they will be used approximately the same number of times.

UTILITY “A” – The Utility A class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed that has earned the title of CDX but has not earned the title of OTCH. Any person who has exhibited a dog that has earned a MOTCH title may not handle dogs in this class. The handler of any dog in this class must be the owner, co-owner or a member of their immediate families. Owners may enter more than one (1) dog in this class. The same person must handle the dog in all exercises. When a dog is wrongfully entered in this class, any score awarded will be cancelled.

UTILITY “B” – The Utility B class shall be for any dog of any recognized or listed breed, mixed breed or unrecognized breed that has earned the title of CDX or OTCH. Dogs in this class may be handled by the owner or any other person. Owners may enter more than one (1) dog in this class. The same person must handle the dog in all exercises. No dog may be entered in both the Utility A and Utility B classes at any one trial. Prior to the start of judging, the judge will choose which of the six (6) numbered routines will be performed. This choice will not be disclosed to exhibitors until it is posted at ring side at least 30 minutes before the start of the class and never more than one hour before the start of the trial. In future assignments, judges are required to alternate the six (6) routines so that each will be used approximately the same number of times

No X-Pens Allowed in Performance Benching Areas!

Rally and Obedience Benching has been moved into a screened area in the central lobby due to the unavailability of the Red Room. Additional access into the building will be allowed through the SOUTH door marked "OBEDIENCE". Performance Exhibitors may park along the south side of the building.

Specialties receive one Large space and up to six tables. There won't be a lot of room for benching in that space if you have other activities. If you want your breed benched together, ask your exhibitors to book Large spaces and let AI know and we'll try to connect them to the Specialty area.

If your club wants tables for an Auction, PLEASE book a Large or XL space and text AI Nilson @ (587) 989-7351 to have your space located with good traffic flow.
