Classes – Regular, Selected or Veterans

A dog may be entered in one of the three types of classes: Regular Classes, Selected Classes and Veterans Classes during a trial or set of trials. The owner may choose to enter the Selected Class in lieu of entering the Regular Class at any trial. The dog must be entered only in Selected Classes or in Regular Classes, at the same set of trials (a dog may move back and forth between the Selected Classes and the Regular Classes, but not at the same set of trials offered by a club on the same day or on consecutive days). A dog must be started at the Novice Level for each Class: Regular Standard, Regular Jumpers with Weaves, Selected Standard and Selected Jumpers with Weaves.

Selected Class

The Selected Classes dogs run the same course as the Regular Classes but will have adjusted height and course times. (One jump height lower and additional 10% added to the course's time).

Veterans Class

At the option of the owner, a dog 7 years of age or older may be entered in the Veterans Class. Once a dog has been designated as a Veteran and entered in this class, the dog cannot revert/transfer back to the Regular or Selected Classes. The dog will retain titles and/or Qualifying scores towards titles accumulated. Any new titles earned will be designed with the letter "V" for Veteran following the title (ex: AGMXV). All Veterans will compete as if running in the Selected Classes at one or two jump heights lower than regular and with 10% additional time allocated for the Selected Class.

Jump Heights

4 inches 10 inches and under at the withers in the Select division

8 inches 10 inches and under at the withers in the regular division, and 14 inches and under in the Select division

12 inches Over 10" up to and including 14" at the withers in the Regular division, and 18 inches and under in the Select division

16 inches Over 14" up to and including 18" at the withers in the Regular division, and 22 inches and under in the Select division

20 inches Over 18" up to and including 22" at the withers in the Regular division, and over 22 inches in the Select division

24 inches Over 22" at the withers in the Regular division

Owners are responsible for entering the correct height divisions. Dogs that run in a height division lower than their correct division will be excused from the trial. Judges may require any dog to be measured.

Entries

1. This agility trial is open to all CKC recognized and listed breeds, 18 months of age or over.
2. Entries forms must be filled entirely. Incomplete entries will be rejected. Exhibitors are responsible for any error on their entries.
3. No entry will be accepted without full payment of the entry fees.
4. Tendering a dishonoured cheque in payment of entry fee shall be considered non-payment of fees, and will be considered an infraction of disciplinary measures and will bring cancellation of awards and scores.
5. Attention Foreign Exhibitors. Please note that fees are due and payable in Canadian dollars. Due to consistently fluctuating currency rates, discounted cheques will not be accepted. Personal cheques will be accepted; however, they are to be payable in Canadian funds. If you send a cheque in US funds, it must be made out for the full amount of the entry and no exchange will be refunded to the exhibitor. Please do not mark cheques "Payable in Canadian Funds" or "At Par". They will not be cleared by the banks. To simplify the process, we urge that you purchase bank drafts or money orders payable in Canadian funds. Your understanding and cooperation is appreciated. Thank You.
6. Non Member Participation Fee: These fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members.
