Agility Classes Offered

The following classes (divided by heights) will be offered:

STANDARD REGULAR CLASS divided into these Levels

Novice Standard: Novice Class is open to any dog that has not earned a Qualifying score in the CKC Intermediate Class. This class is not divided. Novice is for dogs that have not acquired the Novice title and/or have not earned a qualifying score in Agility Intermediate.

Intermediate Standard: The Intermediate class is open to dogs that have acquired the Agility Novice title, and to those dogs which have acquired the Intermediate title but have not yet acquired a qualifying score towards the Excellent title.

Excellent Standard: The Excellent class is for dogs that have acquired the Intermediate title but have not yet earned the Agility Excellent title.

Master Excellent Standard: The Master Excellent class is for dogs that have acquired the Excellent title or the Master Excellent title.

JUMPERS WITH WEAVES (JWW)

JWW has the same levels, heights, and conditions as for Standard Regular.

POINTS & DISTANCE (PAD)

PAD is a game of strategy involving distance handling and point accumulation. It is designed to test, skill, accuracy, speed, timing, and distance handling, and to demonstrate a dog's ability to work with its handler over a variety of agility Obstacles. PAD is divided into the same levels, heights, and has the same conditions as for Standard Regular. The class is not part of the Agility Master Championship titling program but offers Standalone titles.

STEEPLECHASE

Steeplechase is a fast-paced game designed to emphasize speed and control on a jumpers style course which contains the two most dynamic obstacles – the A frame and Weave Poles. The course design requires constant flow and a design that encourages speed throughout the course, while testing the

handler's control. The class is not part of the Agility Master Championship titling program but offers Standalone titles. There are no Levels in Steeplechase. The Regular Class Division is described above.

JUMPS AND TUNNELS

Jumps and Tunnels is a game that tests dog and handler's ability to work on a course designed entirely of jumps and tunnels. It is intended to demonstrate the dog's ability to respond to handling while performing at speed.

The Other Two Class Divisions Are

SELECTED The Selected (Standard, Jumpers with Weaves, PAD, Jumps & Tunnels & Steeplechase) follow the Agility Trials Rules & Regulations. The courses will be the same as in the Regular Classes but will have adjusted heights.

FOR FUN ONLY (FFO) At the owner's discretion, dogs are able to run in For Fun Only (FFO) class in any category. The owner would be allowed to take their dog into the ring with a toy. Toys are allowed but the toy must be identified to the judge prior to entering the ring. A maximum course time of 60 seconds would be allotted. • FFO entries must meet all eligibility rules as dogs running for Qualification. FFO runs may be allowed at the same or lesser fee at the club's discretion. • A handler may choose to enter an FFO dog in any class, in any trial, at any performance level and at any jump height. Obstacle repetition is permitted without dismissal. They are not allowed to enter the same class again for a qualifying run. Dogs must attempt to run the course as numbered and are under the same judging criteria as dogs that are running for qualification.
