

## Agility Training Match – Sun, Dec 18 – “The Barn” Mt. Uniacke

### *Proceeds towards repairs/maintenance of “the barn.”*

This Match will offer Advanced/Masters style courses only; as well as, two Steeplechase courses. **Barn opens at 8:30 am, first dog on the line 9:00 am.**

If you have a Starters level dog don't hesitate to enter and do part, or all of, the courses offered. Also Masters dogs may run Advanced at their handlers' discretion. It is also not necessary to run your dog at their competition height.

MCT (Maximum Course Time) will be set at 2:00 minutes for ALL dogs, any level, any course.

**PRE-REGISTRATION IS REQUIRED** so that participants will receive an advance email approximation of when each class begins. However, “day of entries” will be accepted in the event of no shows/time availability. Cash, exact amount requested, or cheques payable to UDSC appreciated. **A liability waiver must be signed upon registration.**

This is an opportunity to **work on your issues YOUR way**....start line stay, table issue, leaving ring, etc. Be creative in course analysis...*for example, if you want to do a lead out and do 1,2,3, reward....go for it, then restart.* If your dog breaks the start line, you can do what you would normally do in your individual training program. For example, either cease and desist, or give the next dog their run, then resume. You've got two minutes to do your thing.

**Use of motivators is acceptable & encouraged**, be it food and/or toys. If you feel your dog can't handle the distraction of accidentally dropped food in the ring from a previous team, and if you are not prepared to work through such a distraction, this Match is **not for you.**

While the intention is to provide an environment that supports, rather than dictates your training options, unfair and/or harsh treatment of dogs will not be condoned and may result in asking you to leave the premises.

**Please be advised the above is not the opinion of the UDSC.** The event is organized by an independent party to support, via fund-raising, the efforts of the UDSC.

So, if you're good to go with all that...please submit the pre-registration agreement.

Thank you.

P.S. Bathrooms **are available**, no refreshments will be available so please plan accordingly.
