OFA fees are NOT included in the health clinic listed fees. Owners will be required to complete THEIR OWN DOG's OFA forms online prior to the clinic. We will provide owners with a link to the OFA health clinic webpage for OUR health clinic, and owners can complete the forms (including payment for OFA's fees) online before the dog's exams are done. The examining Veterinarian also has access to the forms to complete their portion online, saving everyone the time and effort of the manual forms.

To maintain an efficient schedule, adhere to social distancing protocols, and reduce exposure to the veterinarians, all exams will be performed without the owner present. Our veterinary experienced health clinic volunteers will apply eyedrops outside, then take your dog at the door, hold it for the exam and return it to you at the door.

There are no cancellations or refunds unless the clinic is cancelled. There will be no refunds given for missed appointments. All exams must be paid in advance via email transfer. We are unable to offer multi dog discounts due to the increased costs of hosting a health clinic. Please direct questions to Alayne Madill: alayne@labralayne.com
