

An Evening With Dr. Keller – OFA

Date: Saturday, June 8th

Time: 7:00 p.m.

Location: Holiday Inn, Cambridge

Please join us for an informative opportunity with Dr. Keller from OFA (Orthopedic Foundation of Animals) on Saturday June 8th beginning at 7:00 p.m. Dr. Keller has been with the OFA for over 20 years and initially screens every inbound radiograph for proper positioning and diagnostic quality. He is a board certified radiologist and serves as the organizations' Chief of Veterinary.

Dr. Keller will take us through a series of x-rays for the Labrador Retriever from severely dysplastic to excellent ratings. We will also discuss elbow x-rays, how x-rays are read and put to rest any myths you may have heard on how the readings are done as well as answer any questions you may have. Time permitting he will also briefly discuss the new OFA Eye Certification Registry.

To register please contact Jo-Anne Smail at smailmacdonald@gmail.com

Cost for dessert and speaker is \$15.00.

This seminar is open to everyone.
