Canine Good Neighbour Test

on Saturday February 22, 2020 1 pm- 5 pm

Do you want your dog to become a Canine Good Neighbour?

As a responsible dog owner with a well-mannered dog you can earn respect for dog owners by practicing the twelve steps of the CGN program. CGN trained dogs display good manners at home, in public places and in the presence of other pets. This training and certification is a perfect first step for any "Therapy" dog.

You and your dog (any breed or crossbred) can participate in Canadian Kennel Club's Canine Good Neighbour Test. If your dog earns a "Pass" you'll be awarded a certificate from the CKC.

If you are interested in obtaining a CGN certification view the rules at www.ckc.ca and the Participants Handbook to view the steps required to pass the test. This can be found on line at -<https://www.ckc.ca/en/Raising-My-Dog/Responsible-Ownership/Canine-Good-Neighbour-Program>
