Additionally, should any of our judges require masking in the ring, notification will be made. Please bring masks to be used in the event they are required.
- Electricity within the Dome is limited. Please be kind. If you are not using the electric panel, unplug your cord so others can be accommodated.
- Many Specialties have booked dressing rooms with power to support their exhibitors. Please check with your Specialty coOrdinator for availability.
- Building regulations require that no bathing of dogs take place within the Dome. Blowing out of dogs is permitted but no liquid shampoo is to be used.
- Building regulations require that the only liquid allowed on the turf is water – no coffee, tea, soft drinks, juices, or other beverages are permitted.
- The Superintendent is in control of the precincts of the show as well as the outside parking areas and must enforce the regulations. Please do not make her job more difficult by creating your own rules. We appreciate the opportunity to use this wonderful facility and work with the management to support the few restrictions that are imposed.
- There is a canteen on the upper floor of the main building. It will be open for breakfast, lunch and early dinner, as necessary. The food is catered and is very good. Food from that area falls under the same restriction as any other. It must be consumed in the sitting area surrounding the canteen or taken outside.

On Highway 214, Withrow's farm market has prepared meals that are tasty and well priced. Withrow's also has an excellent butcher shop. Lobster is available at the Clearwater kiosk within the Halifax airport. It may also be available at the two grocery stores.
- Please clean up after your dogs. Bring paper towel and bottled water to deal with accidents within the dome and clean up bags for outside. It is not the responsibility of our small group of volunteers to clean up. We do all we can to make this a great weekend for you. Your assistance in keeping the inside and outside of the facility clean and in the condition, it was found when you arrive is much appreciated. Should you be unable to comply with the rules under which we are working, your continued presence on the site may not be required.
- Crates and grooming tables should have a waterproof covering eg tarpaulin under them.
- Bait is permitted but must not be thrown in the rings.
- For those with a large amount of gear to unload please use the large double doors that are around the back of the building. It will make your job easier.
