

SHETLAND SHEEPDOG FANCIERS CLUB

Will hold an

All Breed Eye & Cardiac Clinic

at

Pioneer 73 Club, 29 St. Lawrence Avenue, Devon, Alberta

On April 24 & 25, 2021

Dr. Kelli Combs Ramey DVM, DACVO is providing OFA eye exams; \$45 per dog and \$40 per dog for SSFC members.

Dr. Kim Hawkes DVM, ACVIM is providing OFA cardiac exams; \$55 auscultations & \$280 echocardiograms

OFA fees are NOT included in the health clinic listed fees.

PLEASE NOTE: This clinic is being conducted for the screening of congenital or acquired conditions in breeding dogs. No medical advice will be given to treat any suspected medical condition, or to check the progression of a previously diagnosed condition.

Owners will be required to complete THEIR OWN DOG's OFA CAER eye forms online prior to the clinic. We will provide owners with a link to the OFA health clinic webpage for OUR health clinic, and owners can complete the forms online before the dog's exams are done. The examining Veterinarian also has access to the forms to complete their portion online, saving everyone the time and effort of the manual forms. **If forms are not filled out, we will not be able to do an exam and no refunds will be given. Cardiac form is below.**

Please contact Yvonne Halkow by email willowglyn@gmail.com for scheduling before filling out forms so that we can be sure there is a time slot available for your appointment.

To maintain an efficient schedule, to adhere to social distancing protocols and to reduce exposure to the veterinarians, all exams will be performed **without the owner present. Our canine experienced health clinic volunteers will apply eye drops outside, then take your dog at the door, hold it for the exam and return it to you at the door. **If your dog is not okay with strangers, please do not register for this clinic.****

There are no cancellations or refunds unless the clinic is cancelled. There will be no refunds given for missed appointments. All exams **must be paid in advance by cheque or email money transfer to ssfcedmonton@gmail.com. We are unable to offer multi dog discounts due to the increased costs of hosting this health clinic.**
