Katie Somers – *Saturday Regular & Non Regular Classes*

I am the face behind Somersun labradors in Quincy WA. I have raised labradors for 20+ years. As a family we started with obedience and hunt test and then jumped headfirst into the conformation ring. I got my start in labradors when after looing my husband beloved springer he stopped at a local breeder and picked up our first Labrador. Her name was Missy. She is what we call a field lab; she was poorly bred, but we loved her just the same. With her we got our start doing hunt test and obedience. We joined PSLRA as a family. I had gotten the bug of dog shows. My next two Labrador were bought from Shamrock acres.

Although Missy was a good start, I needed different bloodlines to start a good foundation, Shamrock Acres Razzle Dazzle and Shamrock Acres let it Snow II. Our dog activities were scheduled around my children's activities. My daughter was my main co-pilot going to show in between my son's baseball and wrestling schedule. She showed Razzle in Jr. showmanship.

Now I can be seen traveling with two of my granddaughters. They are my little handlers and are making a name for themselves in the labrador ring. Over the years I have bred and raised 19 champions. My goal is to continue in labradors and progress in the breed.

Linda Maffett – *Friday Regular & Non Regular Classes*

I've loved all animals my entire life, dogs and horses particularly. My teenage years were spent at the local barn where I boarded my horse and got to know Labrador Retriever named Buttercup. I knew then I would have Labradors in my life.

I acquired my first Labrador in the late 80's. We competed in AKC obedience and hunt tests, meeting several Labrador breeders along our journey and joined the Puget Sound Labrador Retriever Association. As you all know, Labradors are like potato chips and you can't have just one, enter my second Labrador from Nina Mann, Harbortop. In 1990 I whelped my first conformation litter. In the mid 90's I imported three dogs from the Kupros Kennel to integrate into my bloodlines.

Labradors have been part of my life for 30 years having bred multiple American and Canadian Champions with one of the most memorable wins was RWD at Potomac 2011, BOS at Westminster 2012 with "MBISS GCHS / Mex CH / Can CH Sunnydaze Running Across The Miles, JH". I'm a life member of The Puget Sound Labrador Retriever Assoc., and member of the LRC, Inc.

I have developed an amazing Labrador family as a direct result of being involved with this breed, they are my sisters and brothers, some are my mothers (they know how they are). With or without dogs, many of us are now bonded for life and it can't get any better than that.

I live in Washington state with my husband Hugh, our son Ollie is attending University in Los Angeles California. We currently have 4 Labradors and 2 Maine Coon cats. I am a Registered Nurse with my specialty in Hospice care. I love this work; it is very tough some days but very rewarding on so many levels. Thank you for giving me the opportunity to judge all your lovely Labradors!

Trudy Taphorn – Friday Sweepstakes

My husband and I live on 11 acres 45mins NW of Edmonton, Alberta with our collies, whippets, horses, peacocks and chickens! I've been teaching conformation handling classes for 27 years now and was also an all-breed handler. I have piloted client dogs to Best in Shows, Best Puppy in Shows, many group placements and have won Regional and National Specialties with them. I have bred collies (rough and smooth) under the Tamaron prefix for 37 years and whippets under the Counterpoint prefix for 17 years. My collies and whippets have both been very successful in the show ring. My collies have won the Canadian National (both a rough and a smooth) and I have won 2 Best in Shows and over 65 group wins and placements on my heart dog, smooth collie Kennedy. Counterpoint Whippets have had amazing success but the most noteworthy was my solid red brindle bitch Jill who 13 all-breed Best in Show wins, 100's of groups wins and placements and won the National twice! I am very excited and honored to be judging your beautiful puppies.

Dee Parsons – Saturday Sweepstakes

I would like to thank the Labrador Retriever Club of Alberta for the Honour of judging Sweepstakes. I look forward to going over our upcoming youngsters as well as evaluating the veterans who have had such a strong influence on the dogs of today!

A bit about my history. I started out in Obedience in the early 80's. Fancy was my Mom's dog, and I began to work with her. She was fun and I learned so much from her! Fancy was my first Obedience Trial Champion! That was it, I became addicted to the whole world of purebred dog events! Next was my first home bred BISS Ch. AM /Can Ch Willowrose Gimme A Break. Sparkie was a Show Dog!! We both loved it!! Then came BISS OTCH AM/ CAN Ch Willowrose Trick or Treat WC JH, aka Freddi! What a wonderful girl she was! I have now found Field Trial competitions; the dedication and the passion it takes to compete at this level truly demonstrates the heart of the dogs of this very special breed!!

I am proud to say that I have had accomplished Labradors in almost all disciplines. I have 2 search and rescue dogs, one being the youngest ever certified. I couldn't be prouder of the working ability, brains and the beauty of these Labradors!

I am approved to judge all levels of Field Trials and WC-WCX tests.

Best of Luck to Everyone!!! I so look forward to seeing our wonderful Labradors!!

Championship Points and Cancellations

Section 15.1.1 A dog awarded Winners at a conformation show shall be credited with a number of championship points (ranging from 0 to 5) and the number of championship points credited to a dog awarded Winners shall be as provided hereunder.

Section 15.1.2 The schedule to be employed in the determination of the number of points awarded Winners shall be as follows:

Dogs competing*	1	2	3-5	6-9	10-12	13 & more
Points allocated	0	1	2	3	4	5

*Includes the dog awarded Winners.

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall NOT be included in the calculation for championship points.

Section 15.1.3 If a Dog awarded Winners was also awarded Best of Breed, then at the show all dogs competing in the breed, including Specials Only, shall be included the total.

Section 15.1.4 If a Dog awarded Winners is also awarded Best of Opposite Sex to Best of Breed, then all dogs of the same sex including those competing for Specials Only shall be included in the total.

Section 15.1.5 If a Dog awarded Winners is also awarded Best of Winners, then all dogs defeated directly or indirectly in the breed shall be included in the total.

Section 15.1.6 If a dog is awarded Winners only, then all the dogs of the same sex in the class competition shall be included in the total.

Section 15.1.7 The number of championship points to be credited to a dog awarded Winners shall be determined by the highest award earned and calculated as per this section.

Clarification: Example of directly or indirectly defeating: If the Winners Bitch is awarded Best of Opposite Sex but not Best of Winners, the Best of Winners Male shall be deemed to have indirectly defeated the Specials Bitches and is thus entitled to add them to the number of dogs and bitches defeated.

Section 15.1.8 In addition to championship points allocated at the breed level, a dog awarded Winners which also places in the regular Group competition shall be credited with the following additional points provided that the dog was defeated at the Group level.

Number of Dogs Competing At Group Level	Dogs Placed First	Dogs Placed Second	Dogs Placed Third	Dogs Placed Fourth
13 or more	5	4	3	2
