### OUR SPECIALISTS

**Dr. Sara Ritzie** graduated from the Ontario Veterinary College in 2007, and worked in private practice for three years prior to joining Royal Canin. Dr. Ritzie was a Technical Service Veterinarian in the

Veterinary Pillar for 1.5 years before stepping into her current role as Royal Canin Scientific Communications Manager of the Retail Division.

**Dr. Emmanuel Fontaine** completed his PhD in 2012 at Ecole doctorale Abies, AgroParistech and is also qualified at the European College for Animal Reproduction (ECAR). From 2005 to 2011 Dr.

Fontaine worked at the Centre d'Etude en Reproduction des Carnivores (CERCA) [Research Centre for Reproduction in Carnivores] in France; a unit specializing in pet breeding assistance. Dr. Fontaine joined Royal Canin Canada PRO Division in 2011.

**Dr. Nigel Gumley, DVM, MSc** Diplomate American Board of Veterinary Practitioners (Canine/Feline), Certified Canine Rehabilitation Practitioner.

Dr. Nigel Gumley graduated from the Ontario Veterinary College in 1985. He has since expanded his

education to include board certification from the American Board of Veterinary Practitioners (specializing in canine and feline medicine), a master's degree in epidemiology, and most recently, certification in canine rehabilitation therapy. He is currently pursuing certification in pain management. In 2001, he was named Outstanding Veterinarian in Ontario.
