

How it works:

One agility course with International "flair" will be set up. You will have the opportunity to run that course and set your initial score (Run #1). You can then re-walk the course and will have the opportunity to run it again (Run #2). If you BEAT yourself, you'll win back \$5 of your entry! Still some tweaking to do, or want to train a bit on course? Afterwards you'll have another timed session to train whatever you like and reward your dog where you please. No rewards in Run #1 or Run #2 please.

Scoring:

Time + faults. A dropped bar = 3 seconds. Missed contact = 3 seconds. No refusals. Elimination = flat score of 100 seconds. You are aiming for the lowest score possible (clean and fast!).

Winning:

We consider improvement on your past performance winning, and we'd like to reward you for it! That's where the \$5 individual prize comes in. However, we'll also recognize the team that owned the course for the day. Combining the scores of both runs, the team with the lowest score will receive their FULL entry back.

Equipment Specifications:

Jump height options: 6", 10", 16", 22", and 26" (no double or spread)
A Frame heights: Regular 5'6", Lowered 5'
Please select one of each on your entry; it is entirely up to you.

Who can play:

We have really limited spots, first come first serve! That said, only dogs 18 months and older are invited to play. The course will have international inspiration, so please consider the skill level required for that. We intend to host more events catered to the developing teams in the future! Interested? Let us know and we'll get planning!
