3. If, because of riot, civil disturbance or other acts beyond the control of management, it is impossible to open or to complete the show, no refund of Entry will be made.
4. Dogs should arrive in adequate time for their breed judging (allowing for absentees) and will be excused each show when not required for further judging. It is the responsibility of the exhibitors to have the dog at ringside when the dog's class is scheduled for judging. Waiting for dogs will not be possible and handlers with several breeds must arrange for alternate handlers if judging times for their breeds conflict.
5. Judging will commence at 8 a.m. each day. A later starting time may be specified in the judging schedule. Starting time of each ring will be specified in judging schedule.
6. SHOW PRECINCTS: The show precincts shall consist of all areas set out for rings, all shelters or facilities set aside for show officials, judges, exhibitors and handlers.

Temporary Competition Number (TCN) A Temporary Competition Number (TCN) allows dogs to temporarily participate in CKC events while they pursue permanent registration or an Event Registration Number (ERN).
A TCN must be obtained before submitting an entry for an event.
The same TCN must be used for all event entries for a dog until the dog is permanently registered or has an ERN.
TCNs can be obtained through your CKC member portal or by contacting the CKC.
Note: There is no CKC fee to obtain a TCN. However, a TCN 'listing' fee is required each time a dog with only a TCN is entered in an event.

Event Registration Number (ERN) All dogs that are foreign born and foreign owned and enter Canada for the sole purpose of entering CKC events, and do not have a CKC registration number, will require an Event Registration Number (ERN).
The ERN number MUST be applied for within 30 days of the first day of entering a CKC event.
Fee is \$64.00 per dog, plus applicable taxes.

Non-Member Participation Fee Effective January 1, 2011:

- a) A non-member participation fee will be charged to a resident of Canada who is a non-member of the CKC. The fee will be \$170.00 plus applicable taxes.
- b) The non-member participation fee is paid in any year a title is earned and covers all titles and dogs owned by that individual.
- c) In order for the title to be awarded, the non-member will have a choice to either become a CKC member or pay the non-member participation fee. Failure to comply within 30 days of notification will result in the title being withheld and the dog cannot be moved up to the next level.
- d) The fee applies only to dogs wholly owned by non-member residents of Canada and is not applicable to CKC members.

CKC Membership **\$55.00**, plus applicable taxes. For a list of membership benefits and an application to join, visit ckc.ca.

Exhibitors, handlers, judges and assistants are expected to participate with honesty, fairness and integrity, ever mindful of the practice of "good sportsmanship," before, during and after this show. Our Judges

Laura Reeves, Oregon

Laura is an AKC Breeder of Merit, retired zone rep for the Professional Handlers Association and approved to judge the sporting group and breeds in four additional groups. Laura is a second-generation breeder of German Wirehaired Pointers, under the Scotia Kennel banner.

In her professional handling career, Laura consistently maintained a low-number, high-quality client list. Specializing in rare breeds, she piloted dogs to Best in Show, Best in Specialty Show, Group wins, #1 rankings and more.

Scotia dogs have earned well over 100 titles: in the show ring, hunt tests, field trials and NAVHDA (North American Versatile Hunting Dog Association); in agility, tracking, obedience and rally. Her dedication to breeding dual purpose dogs reflects a stated goal of preserving the all-weather, rugged, sound-minded gun dog the breed's founders envisioned.

She spent her childhood training field trial Labs with games of baseball to improve their blind retrieves, teaching Clumber Spaniels how to swim and German Wirehaired Pointers to retrieve to hand.

Laura served the GWPCA as *AKC Gazette* columnist, Judges Education Committee member and chair, Vice President, President, National Events Coordinator and more.

As host of *Pure Dog Talk* and The Marty & Laura Show podcasts, her particular combination of skills has built global recognition for these platforms.

Melinda Dawn Longair, British Columbia

(Sweepstakes and Juniors)

Melinda grew up around dog shows as her mother helped every year with the Tyee Kennel Club Show on Vancouver Island. From a young age, Melinda helped her mother with club activities.

She didn't actually start showing dogs until 2003 as a Junior handler, with NSDT Retrievers and Rough and Smooth Collies. Her love of dogs and confirmation showing grew, but her passion was with the NSDT Retrievers. She got her first Toller at the age of 14 and what a learning curve that was! Although she wasn't the best from a conformation stand point and never actually finished her championship, Melinda learned a lot from her first Toller. For her second Toller, she was more knowledgeable about structure and balance. Over the years and with many mentors and words of wisdom, her knowledge of breed standards has continued to grow.

After aging out of Juniors, Melinda set out on a path to handle and learn from many other breeds on her own. Travelling in her spare time, between University courses, she started handling many breeds including Cavalier King Charles Spaniels, Shiba Inus, St. Bernards, Papillons, Australian Shepherds, Pugs, Havanese, Labrador Retrievers, English Springer Spaniels, Basenjis, Beagles, Australian Terriers, and many more. During this time she also helped raise various litters of puppies, learning proper techniques to evaluate puppies and how to train the eye for dogs.

Her first NSDT Retriever litter under the Topaws Kennel name wasn't born until May 16, 2020. She waited to breed until she had enough experience and knowledge to understand the amazing, the good, the bad and the ugly parts of breeding. Every litter is a new learning experience and she is proud to be striding towards improving her breeding line with the helpful guidance of the many breeder friends she has around her.

Melinda's attention hasn't just been on confirmation shows. Her kennel, Topaws Kennels, has achieved titles in Barn Hunt, Dock Diving, Obedience, Rally Obedience, Chase Ability, Sprinters, Trick Dog, Agility, and Canine Good Neighbour.

Section 15.2.6 Grand Champion Gold (GChG)

The title of Grand Champion Gold may only be earned after the completion of the CKC conformation title Grand Champion Silver is attained.

- a) Points for this title are only accumulated after the completion of the Grand Champion Silver is attained, and do not include the points earned in attaining the Grand Championship Silver.
- b) To be awarded a Grand Champion Gold title, a dog must attain a minimum of 200 points, which must include a minimum of two wins of at least two (2) points each. Points must be gained at breed, group or Best In Show/ Specialty level. Only the highest points earned at a single show are carried forward.

GCHEx and Grand Champion Excellent Points

The title of Grand Champion Excellent may be granted only after the completion of the CKC Grand Championship Silver Title. Exhibitors will be required to submit to Shows & Trials the Grand Champion Excellent Record Sheet documenting the additional requirements. The Grand Champion Excellent Record Sheet Form is located on the CKC website.

Section 15.3.2 To earn the title a dog must have earned the following during their career as a Special:

- a) one (1) Best in Show or a Best of Breed at a breed national specialty (where a minimum of 10 dogs have competed).
- b) three (3) Group 1st, or three (3) breed specialty Best of Breed wins.
- c) a CKC performance title from any CKC Event. Titles excluded are: CGN, Herding Novice Tested Certificate, all Instinct titles from all events, as well as all Sprinter titles and all Chase Ability Program titles.

Section 15.3.3 Best in Show, Best of Breed at a National Specialty, 3 Group wins, or 3 Specialty Best of Breed wins, must be attained after the completion of a regular championship. The performance title may be attained at any time in the dog's career.

Conformation Show Rules and Regulations

The Exhibitor is responsible for knowing and complying with the Conformation Show Rules and Regulations of the Canadian Kennel Club.

Section 4.1.5 No person may approach a judge either directly or otherwise, orally, in writing or electronically, to favour his entry. Disciplinary action will be taken against any person who violates this rule, or against a judge who fails to report any contravention of this rule to the CKC within 14 days of the action.

Section 19.7 It shall be the duty and obligation of the show-giving club to see that a judge, club official, volunteer or any participant at an event held under these rules is not subject to indignities. The Conformation Show Committee Chair shall promptly report to the CKC any infringement of this regulation, and the CKC shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred.

Moving Class Dog to Specials Only

Section 8.9.1 A dog that is registered in the records of the CKC or that has a Miscellaneous Certification Number (MCN), or Event Registrations Number (ERN) and has completed the requirements for a championship in accordance with these rules but at the time of the closing of entries for show has not received confirmation of the title, may be transferred from one of the regular classes to Specials Only providing the transfer is submitted to the Show Secretary in writing by the owner or handler at least one (1) hour prior to breed judging. ***A dog that has a Temporary Competition Number (TCN) is not eligible to be transferred.***

Section 8.9.3 When one all-breed show, a limited breed show, and/or specialty shows are held on the same day, in the same venue, the request for moving of class dogs to Specials Only must be made a minimum of one (1) hour before breed judging starts of the show for which the dog is being moved up to Specials Only.

Moving from Specials Back to the Classes

Section 8.9.5 A dog can be moved back into the classes from a Special if it has been entered incorrectly, only where the shows have already closed.

HEALTH REMINDERS

No dog may be brought onto the grounds or premises of an event if it:

1. Is known to have distemper, parvovirus, kennel cough or other communicable disease;
2. Has recovered from distemper, parvovirus, kennel cough or other communicable disease within the last 30 days (prior to the event);
3. Has been housed within 30 days prior to the event on premises on which there existed distemper, parvovirus, kennel cough or other communicable disease.

Clubs do have the right to remove a dog from the event premises and the exhibitor may be subject to disciplinary action if it is found that CKC rules have been contravened.

At events where judges will be checking bites, judges should be encouraged to have the exhibitors show the bite. If the judge insists on checking bites themselves, they are expected to use hand sanitizer or soap and water in between each exhibit. Please ensure that sanitizer wipes and bottles of hand sanitizer are available at all times at events.

Temporary Competition Number (TCN)

A Temporary Competition Number (TCN) allows dogs to temporarily participate in CKC events while they pursue permanent registration or an Event Registration Number (ERN). A TCN must be obtained before submitting an entry for an event. The same TCN must be used for all event entries for a dog until the dog is permanently registered or has an ERN.

A TCN cannot be used for dogs that require a Miscellaneous Certificate Number (MCN), a PEN or a CCN number.

Note: There is no CKC fee to obtain a TCN. However, a TCN 'listing' fee is required each time a dog with only a TCN is entered in an event.

Event Registration Number (ERN)

All dogs that are foreign born and foreign owned and enter Canada for the sole purpose of entering CKC events, and do not have a CKC registration number, will require an Event Registration Number (ERN).

The ERN number MUST be applied for within 30 days of the first day of entering a CKC event.

Performance Event Number (PEN)

A Performance Event Number (PEN) allows a non-registrable dog of a **CKC-RECOGNIZED BREED** to participate in competitive events that are appropriate for the breed. To be eligible to receive a PEN, all of the following must be met:

- The dog must be of a breed recognized by the CKC (*not* on the CKC Miscellaneous Class List).
- The dog must not be eligible for CKC registration.
- The dog must be spayed or neutered.
- The dog must be properly identified with a CKC microchip.

A dog that is eligible for a PEN may not be entered as a 'listed' dog.

Canine Companion Number (CCN)

A Canine Companion Number (CCN) allows **MIXED-BREED DOGS** and **UNRECOGNIZED BREEDS** to compete in CKC performance events. To be eligible to receive a CCN, all the following must be met:

Mixed Breeds & Unrecognized Breeds

- The dog must be either a Mixed Breed or an Unrecognized Breed.
- Mixed Breed dogs must be spayed or neutered.
- Unrecognized Breeds are not required to be spayed or neutered.
- The dog must be properly identified with a CKC microchip.

A dog that is eligible for a CCN may not be entered as a 'listed' dog.

ALL THE ABOVE 'REGISTRATION' NUMBERS CAN BE OBTAINED:

- Online through CKC's Portal (Note: Individuals who have not yet used the online Portal will be required to create a Portal account before they can submit an application online); or
 - By submitting a completed paper application by mail to CKC.
-

It shall be the duty and obligation of the trial-giving club to see that a judge, club official, ring steward, volunteer or competitor at an Obedience Trial held under these regulations is not subject to indignities of any kind. The Obedience Trial Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred.

Limited Entry

OBEDIENCE: Entry in each obedience trial will be limited to the capacity of the judge to judge at the rate of 9 Pre-Novice, 8 Novice and Novice Intermediate, 7 Open, and 6 Utility dogs per hour. A judge may not be assigned more than 7 hours of judging.

RALLY: Entry in each rally obedience trial will be limited to the capacity of the judge to judge at the rate of 15 dogs per hour. A judge may not be assigned more than 7 hours of judging.

Once a judge has reached his/her capacity, entries for that trial will be closed even if the closing date has not been reached. In the case of the entry limit having been reached, remaining entries will be assigned a position (by class) on a reserve list. Exhibitors will be notified of their position on the reserve list. If the entry of a bitch in season is pulled after entries are closed, it may be substituted with one from the reserve list up to and including the day of the trial. If the entry of another dog is pulled prior to the trial, it may be substituted with one from the reserve list up to 24 hours prior to the trial.

Mixed & Unrecognized Breeds

These trials are open to mixed and unrecognized breeds. In order to compete, mixed and unrecognized breed dogs must have a Canine Companion Number (CCN) from the Canadian Kennel Club and must have a CKC-approved microchip. Mixed-breed dogs must be spayed or neutered.

Moving Up

6.9.1 A dog that is registered in the records of the CKC with an eligible number according to these rules and has fulfilled the requirements for a title in accordance with these rules may be moved to the next level of competition if the schedule permits. The transfer must be on the appropriate move-up form and submitted to the trial secretary by the owner or handler at least 15 minutes before the start of the class.

6.9.3 The Trial Secretary shall amend the judge's book and the marked catalogue, which is to be sent to the CKC with the requests attached to the appropriate entry forms.

6.9.5 In order for a dog to be eligible to move up, the dog must be individually registered with the CKC, have a Performance Event Number (PEN), or an Event Registration Number (ERN) before entries close. The addition of a CKC number after close of entries does not make the dog eligible and will result in referral to the Discipline Committee.

Bitches in Season

Bitches in season are not permitted to compete. When a bitch comes into season after entries close, a Veterinarian's Certificate, certifying that the bitch was in season within ten (10) days of the trial, must reach the Trial Secretary on or before the day of the trial, prior to the judging of the class, and the club will refund the entry fees.
