LRCC National Versatility Challenge

Donated by Jim Girvin and Tracey Griffin of Cedarbrae Labradors to recognize the outstanding versatility inherent in our breed, a trait that Cedarbrae has tried to emulate in their dogs. This will be an annual trophy offered by the LRCC at the National Specialty. Points are awarded for prior accomplishment as demonstrated by achievement of CKC titles as well as for demonstrated versatility at the Specialty. A dog must enter three events at the specialty (Conformation, Obedience/Rally Obedience and Working Certificate Test). For conformation a dog must be entered in a class where they compete for Best in Specialty (Exhibition Only classes excluded). For a complete list of the Point Schedule, please contact Candice Little at tlakelabs@gmail.com or Colleen Doll at songlines99@gmail.com

PLEASE NOTE: Anyone who is entered in all three events and would like to be considered or has any questions about the Versatility Challenge at the 2025 National Specialty is asked to contact Colleen Doll (Email: songlines99@gmail.com) to ensure we have gathered the necessary information to make the calculations in accordance with the point schedule prior to the Saturday banquet.

A \$10.50 (including GST) TCN fee, as established by the CKC, must accompany the entry of a dog for which a CKC individual registration or an Event Registration Number is not shown on the entry form.

Please read the CKC Non-Member Participant Fee policy
