

C.K.C. Canine Good Neighbour Test
Hosted By: Northern Lights Prairie Region GSD Club
FRIDAY, JUNE 5

“This CKC program identifies and rewards responsible and caring owners and their canine partners! The purpose of the CGN program test is to ensure that our dogs are accepted as valued members of the community and can be counted on to present good manners at home, in public places and in the presence of other dogs. The program was created to assist canine owners in combating anti-dog sentiment and to enhance community awareness of responsible dog ownership and the benefits associated with dog ownership.” (Taken from the Canine Good Neighbour Program Participant Handbook, available from the CKC by calling the order desk at 416-675-5511 or www.ckc.ca)

This test is not a competition calling for precision performance by the handler and dog. Rather, it assesses the handler and dog’s relationship together with the handler’s ability to control the dog. We recommend that you read the CGN Participant Handbook so that you will be familiar with what you and your dog will be required to do.

ENTRY FEES: \$25.00 per dog (this includes the \$5.00 CKC fee for CGN Certification)
 Entries at this pre-entry price of \$25.00 will close May 14, 2015. (If space available, some entries will be taken after this date or at the show for a fee of \$35.00 per dog.)

PLEASE NOTE: Dogs will be tested in order that their entries are received, however flexibility in scheduling will be made for those showing in the Friday Conformation, Obedience or Rally rings.

Introducing Our Judges

DEB DESJARDINE – started obedience training in 1981 with a Sheltie named Lady that she wanted trained to walk nicely beside her daughter’s stroller. Lady went on to become the #1 All-Breed Obedience dog in Canada. Deb once again had the #1 dog with her homebred Sheltie, Brock.

Deb has seen 10 all-breed placements in Canada with her Shelwin Shelties over the years. She has now produced 7 generations of performance Shelties who excel in numerous dog sports with their owners. Her training school, Campaign Dog Academy, has seen a number of students nationally ranked in obedience over the past 15 years, with 3 students achieving #1 status.

Deb has been judging since 1995. She is a CKC, AKC, and BKC and UKC Obedience and Rally judge and an HDOC life member.

In her spare time, Deb enjoys travelling, gardening, grandchildren and now winters in Florida for three months.

Good luck to all competitors at the Northern Alberta Canine Association trials!

C.E. (TED) FAHLGREN – Ted is married to Louise and has two sons, Geoffrey and Gregory. I have always lived with dogs. My father bred Setters (English and Irish) and had the top Setters in Western Canada in the 1940’s. Although his work made him step back from breeding, we always had dogs in the house.

I purchased a Lhasa Apso from Dr. Ellen Brown’s breed lines in 1972. After entering him in a couple of sanction matches, I was “bitten” and started showing. I donated a lot of points before I realized he was not going to be a conformation champion. “Tor” continued to be the light of my life until he went to the Rainbow Bridge. At that point I purchased another Lhasa from Dr. Brown’s line and got back into the show ring. While showing Majic in sanctions matches I met my wife, Louise, who was showing a Dalmatian and we got married and started breeding dogs in 1982. Our first litter was born almost exactly three months after we were married.

We have successfully bred Lhasa Apsos and Dalmatians and one litter of Miniature Poodles. The Mini Poodle litter produced a wonderful male (Owen) who, at last count, had earned 18 titles (the mini who can do anything!). In Dalmatians, we have done limited breeding with careful guidance from Charlie and Linda Cyopik, producing champions with each litter. In Lhasas, we have had our greatest success with over 30 Champions. BIS/BISS Can/Am.Ch. Vanir’s Challenger put us on the map and his son, Can.Am.Ch. Vanir’s Knight Challenge won Best of Winners at the American National. Just retired, BISS/CanGChEx/SweCh/NorCh/IntlCh. Vanir’s Xtra Special Blend was the top Lhasa in Canada in 2012, top male Lhasa in Sweden in 2013. He was the first Lhasa Apso to win the Grand Champion title and is the only Lhasa to date to hold the title of GCh.Excellent. He won Specialties in 2010, 2011, and 2012 and his daughter (GCh. Lasacas Vanir Xtra Wicked) won the Canadian National in 2013.

I have been involved in all aspects of the dog fancy, serving on Conformation Council for seven years, holding essentially all executive positions in all-breed clubs, National and Provincial breed clubs
