

**Fraser Valley Retriever Training Club is pleased to announce a Retriever-Training workshop with Colin McNicol and Carey Petersen**

**July 26 & 27 2014**

For some of you that don't know **Colin McNicol** he has been involved in training field trial retrievers since he was old enough to throw a bird, and has been doing so for 30 years. In 1990 he started training his own dogs and had a very successful Amateur career. In 2001 Colin turned Professional and in 2003 he established **Windy River Retrievers** and has continued his success.

This will be a two day workshop where we will do land and water set ups for your dog. The tests will be modified for the level of each dog. Colin will give you handling help and advise. He will talk about the differences of training and trialing field trial dogs. This will be an open format and questions can be asked at anytime.
