

# All-Breed Canine Structure and Movement Workshop: How Does Your Dog Stack Up to the Competition?

Presented by: Beverly Capstick, Artist, AKC Judge

Are you a serious dog person? Do you compete in conformation? Obedience? Performance Events?  
Want to improve your dog judging skills? Become a better breeder? Then this Workshop is for you!

AKC Judge Beverly Capstick shares her knowledge of form, function and type. Through the examination of canine structure, variations in skeletal structure and angulation, demonstrated with bones and actual marking and measuring of dogs, showing the change in outward appearance and the resulting effectiveness of the dog in work and motion.
