All eye exams will be registered using the OFA CAER online form. If you do not have an account with the OFA, you will need to set this up (it's free).

To register, you must create a CAER eye application by clicking on the listing for the health clinic here: <https://ofa.org/health-clinics/>.

After you have registered through OFA, contact ypoire@yahoo.com to schedule your appointment. Plan to arrive 30 minutes before your scheduled appointment time to administer eye drops to dilate your dogs eyes.

If you are not attending the Pet Expo show, a separate entrance is available, so you won't incur the cost to enter the building. Additional information will be sent out upon registration.

To book, please contact Yvonne Poiré
ypoire@yahoo.com
