Trial Guidelines

Exhibitors will enter the venue at the front door where they will collect their armband and catalogue (if ordered). This is the only Entrance that will be used during the Trials. The side entrance will be closed.

To manage congestion in the staging area, it is recommended that you keep your dogs leashed and under control. There will be a marked practice area set up in the staging room for one exhibitor at a time. Please be considerate and make this space available to the next competitor if they wish to use it.

There will be a limited number of spectators allowed in the trialling area. Please respect the Competitor in the ring.

As in the past, we will provide a warm-up space in the trialing area for the next dog only waiting to compete. There will be no crating available on the blue floor of the Trialing area.

Hot Beverages will be provided for sale by Katie from The Coffee Pro for \$1.00.

DKC will be supporting the fundraising effort for Dawn Fougere with a donation jar. Donations are gratefully accepted.

Reminders pertaining to the Venue:

- No outdoor shoes in the Trialing area
- No food or drink (water only) in the Trialing area (blue floor)
- No smoking on the premises
- Parking only on the side of the venue building and in the front parking lot
- No parking past the second side door as it is not owned by Ace It
- No exercising dogs on the opposite side of the street, private area

The Dartmouth Kennel Club will be following any health guidelines outlined by the Nova Scotia government and this trial is being held in compliance with the CKC Rules and Regulations for Obedience and Rally Obedience Trials.

These guidelines can be found at the Secretary's Table and can also be found online :

<https://www.ckc.ca/en/Files/Forms/Shows-Trials/Event-Rules-Regulations/Obedience-Trial-and-Rally-Obedience-Trial-Rules-an>

The running order will be posted on a board on or at the entrance to the staging area. Competitors should check off their numbers when they arrive to indicate that they are present. Rally score will be posted on the running order board. We ask for your understanding and patience. The board is the only place scores will be posted.

Competitors are responsible for being ready to be in the venue in time for their run. The stewards will not be responsible for finding competitors to inform them of their turn in the ring.

Be sure to let us know if you have earned a new title. We have new title ribbons!
