EARNING POINTS:

The dog's time to complete the 100-meter dash is converted into KPHs (the CKC conversion chart is used).

A handicap system is applied based on the height of the dog at its withers (as per CKC)

Handicap: Under 12" = 2.0, 12"- 18" =1.5, Over 18 = 1.25

Points = KPH multiplied by the dog's handicap.

Sprinter Titles will be awarded for dogs that accumulate the required points. For purebred dogs, these are suffix titles that will appear on a dog's pedigree with a higher-level title superseding a lower level title.

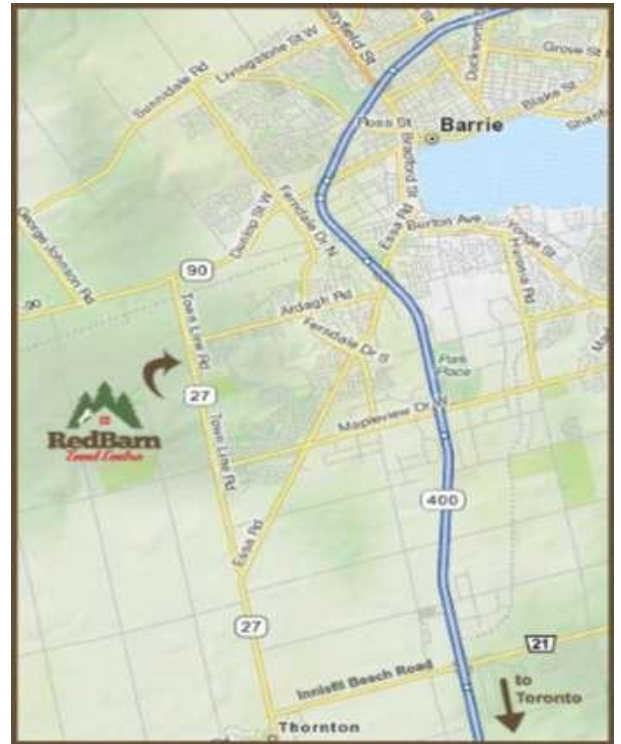

Novice Sprinter (NS) = 150 points

Sprinter (S) = 500 points

Advanced Sprinter (AS) = 1,000 points

Sprinter Excellent (SX) = 1,500 points

SX followed by a number (e.g. SX@) for every additional 500 points

I (we) personally assume all responsibility and liability for any such claim and I (we) further agree to hold the aforementioned parties harmless from any claim for loss of this dog by disappearance, theft, death, or otherwise, and from any claim for damage or injury to the dog, whether such loss, disappearance, theft, damage, injury be caused or alleged to be caused by the negligence of the club or any of the parties aforementioned, or by the negligence of any other person, or any other cause or causes.

I (we) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time resulting there from, sustained by any person or persons, including myself (ourselves), or on account of damage to property, arising out of or in consequence of my (our) participation in this event, howsoever such injuries death or damage to property may be caused by negligence of the aforementioned parties or any of their employees or agents, or any other persons.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, provincial, and local governments and federal and provincial health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Simcoe Performance Dogs (SPD) and the Red Barn Event Centre (RBEC) have put in place preventative measures to reduce the spread of COVID-19; however, SPD/RBEC **cannot guarantee** that you will not become infected with COVID-19. SPD/RBEC has outlined all of this information and sent it to all participants, volunteers and staff who will be attending this event. Further, **attending SPD/RBEC events could increase** your risk of contracting Covid-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending the SPD/RBEC event and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the SPD/RBEC event may result from the actions, omissions, or negligence of myself and others, including, but not limited to, club employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my attendance at this event or participation in this event programming ("Claims"). On my behalf, I hereby release, covenant not to sue, discharge, and hold harmless SPD/RBEC its employees, agents, and representatives of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the SPD/RBEC its employees, officiating judges, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any SPD/RBEC program.

In consideration for being allowed to attend, I agree to indemnify and hold harmless the SPD/RBEC and the CKC from all liability or claims of any nature by myself, my guests and family members. By signing this form I also confirm that I have read and will follow all of the SPD/RBEC rules and COVID-19 safety measures and that I will ensure anyone that accompanies me to this event will abide by these rules/safety measures as well.

** It shall be the duty and obligation of the trial-giving club to see that a judge, club official, volunteer, or any participant at an event held under these rules, is not subject to indignities of any kind. The Trial Committee Chair shall promptly report to the CKC any infringement of this regulation, and the Discipline Committee shall have the authority to take such action as it deems fit, on receipt of a report indicating that this has occurred.

A non-member participation fee of \$62.40 plus HST will be charged to a resident of Canada who is a non-member of the CKC. The non-member participation fee is paid in any year a title is earned and covers all titles and dogs owned by that individual. In order for the title to be awarded, the non-member will have a choice to either become a CKC member or pay the non-member participation fee. Failure to comply within 30 days of notification will result in the title being withheld and the dog cannot be moved up to the next level. The fee applies only to dogs wholly owned by non-member residents of Canada and is not applicable to CKC members.

These events are open to mixed and unrecognized breeds. In order to compete, mixed and unrecognized breed dogs must have a Canine Companion Number (CCN) from the Canadian Kennel Club and must have a CKC-approved microchip. Mixed-breed dogs must be spayed or neutered. Unrecognized-breed dogs do not need to be spayed or neutered. A dog eligible for a CCN may not be entered as a listed dog. If a dog is not registered individually in the CKC studbook it may be entered as a listed dog per CKC rules for this designation, as of July 1, 2018; exhibitors must apply to the CKC for "temporary competition number (TCN), before event closing date". Effective January 1, 1992, all dogs that are foreign born and foreign owned and enter Canada for the sole purpose of entering CKC events will no longer require a CKC registration number but will require an Event Registration Number (ERN). This ERN does not register a dog for breeding purposes as defined in the Animal Pedigree Act, but rather enables a foreign-owned dog to be awarded titles by the Canadian Kennel Club. Each dog must have its own number. To obtain an ERN, mail or fax a photocopy of the dog's foreign registration certificate with a cheque. Cost is \$62.40, plus taxes.

Event rulebooks and application forms for the CCN, ERN and Non-Member Participation Fee are available on the CKC website. For more information, contact:

information@ckc.ca

Foreign Exhibitors: Personal US cheques will be accepted in US funds, but due to fluctuating currency rates they cannot be discounted. Please do not mark personal foreign cheques "Payable" in Canadian Funds" or "At Par" as they will not be cleared by the banks. To simplify the process, we urge that you purchase bank drafts or money orders payable in Canadian funds. Thank you.
